The Lady:

Porcha is described as a 'mixed race English beauty' on HOD's website and she fits that description perfectly. Quite tall (taller than me with her heels on) with amazing coffee coloured skin, perfect breasts (not large, but very pert) with deliciously suckable nipples. Her backside is tight and round, perfect in shape and feel. I could have spent more time on it! Lovely shaved pussy which was great to get to work on. Her personality is fantastic. She's bright, articulate and interested and interesting and I could have spent the whole half hour chatting to her.

The Story:

If anyone knows of a better way of spending half an hour, I would love to know how. We chatted, we kissed, we cuddled and we fucked. I went down on her and she went down on me. What more can a guy want? I will definitely be seeing her again.
