Ella is gorgeous and a body to die for. Great boobs and arse , and a sweet pussy.

The Story:

I had previously met Ella on a couple of occasions years ago at a different establishment, and I thought it would be great to meet again as the previous meetings had been amazing, and Ella didn't disappoint. Ella is so friendly and puts you at ease from the off. Ella's dfk is great, eating her pussy was divine and her tits are great. Moving on to owo, wow , had to slow down a bit or I would have cum straight away. Watching Ella sitting on my cock with those amazing boobs bouncing, then fucking her doggy style to then pumping her pussy missionary on the edge of the bed was just too much along with the odd vocal encouragement and I blew my load. Finished with a chat before kissing goodbye.

If you haven't seen Ella I recommend you do, she is amazing and the best there is.
