The Premises:

Basement flat near Bayswater tube. The place was clean. The bathroom had a walk-in shower that can fit two people. The water pressure was decent enough and there was plenty of hot water.

The Lady:

Betty is a nice looking Thai lady. Betty is petite (about 5 foot - or just over), but has nice large breasts and a peachy bum. The photos of her on the website are accurate.

The Story:

Betty greeted me wearing a white PVC nurses outfit with white stockings and suspenders, and she looked very sexy (note, I did not ask for this so it was a very nice surprise and greatly appreciated).

After sorting out the paper work, we sat on her sofa and the gentle art of seduction began, with lots of DFK and fondling. After a few minutes of this Betty suggested a shared shower, which I accepted and she gave me a nice soaping down.

After the shower it was back to the bedroom for the main event and Betty did not disappoint. There was lots of DFK, her oral and rimming skills are very good. Sex in lots of different positions (and anal was on offer too). She has a nice sweet, pussy which is a joy to lick. All-in-all I had a fantastic 3 hour sex marathon with Betty. As another reviewer stated, Betty is eager to please and I can confirm that she does this in spades. Betty is highly recommended and is another great addition to Olina's agency. I will definitely be back and can't wait to see her again.
