The Premises:

Familiar basement flat in a terraced street some 10 mins walk from Victoria station. It's a clean, comfortable, well-managed establishment. Showers are available if required.

The Lady:

Lissa is a pretty and physically attractive black woman, around thirty years of age. She is from the Seychelles, and is of medium height and build, and has a lovely figure with silky-smooth skin.

The Story:

The first thing to say is that Lissa is very warm and friendly, with a genuine smile, and she greeted me from the outset with a hug and full-on kissing. The kissing continued throughout the session. The oral, mutual oral, and 69 were great, and we finished with enjoyable sex with her on top in my favoured cowgirl position.

Do I recommend Lissa? - certainly! Will I see her again? - most definitely!
