The Premises:

Flat 1 in Victoria. Room was facing the street. Reasonably well furnished.

The Lady:

Curves in all the right places. A girl next door look. She looks a bit like Adrienne who used to work at Adrienne. She was a bit shorter than I expected, not that it was an issue at all.

The Story:

Extremely pleasant. I was a bit early and the maid let me in and walked passed a naked Kat (oh my God), and I quickly walked in the room. Kat came in a few minutes later joking with me about it.

I had particular requests which I messaged her on twitter about, and she kindly obliged. Really good gfe and roleplay experience. She's also quite chatty and made the 2 hours flyby. I would strongly recommend, she really wants clients to enjoy their time, and is quite good at putting people at ease.
