### The Premises:

Well reviewed basement flat in Victoria, 10 minute walk from the station.

### The Lady:

Petite, tanned, small breasts, lovely figure & skin, pretty, with red dyed hair.

### The Story:

Arrived on time and was shown in by Bunny who copped a sly feel of my manhood, cheeky minx, was directed to first room while Bunny went to change. Bunny came into the room in a red see-thru body suit, looking sexy as.

I suggested that i would give Bunny a massage first which got her approval. We divested Bunny of her immodest outfit and she lay face down on the bed. I gave her some attention with my hands whilst i took in the beautiful naked body Bunny has. After some light stroking of her body she turned over. I proceeded to French kiss Bunny, as well as kissing her breasts and nipples along with performing cunnilingus on Bunny's exquisite quim, which was fully and expertly shaved. Bunny liked this and responded enthusiastically. I still had on my cycle shorts and one hand of Bunny's was giving my cock some enjoyable caressing gaining quite a response. Bunny then took my shorts down & complimented me on the size, a nice touch. We then proceeded to have coitus, missionary, cowgirl & standing doggie positions. Bunny put lots of effort into our sexploits, Bunny was attentive, responsive, vigorous, particularly in cowgirl whilst squatting on my cock. This was followed by a 69 session which we both enjoyed hugely. We probably went a bit over time, sadly 30 mins not enough with this lovely woman and I would certainly revisit Bunny.
