The Story:

I was a little nervous as I had a wish list to put to Sarah. From the social media accounts and reviews I got the impression Sarah can be a Dom and likes to dish it out. So I asked her if she'd destroy my balls, nipples, asshole, spit in my face then have sex standing before cleaning my cock off and taking it CIM! She didn't bat any eye and looked genuinely enthusiastic and asked me about ball kicking and strap on - both of which I should have done. So she started crushing my balls and torturing my nipples which she was too proficient at for me to stand long. Then face down and she worked two fingers into my arse very very nice.. She then told me to turn over while she worked my arse more and I hooked my arms around my legs spread wide. I told her to pull my hair so I was bent forward massively hard watching her work and asshole and she spat in my face and mouth. She said it looked amazing and I could see in the mirror. I was so hard now and we both knew she was to sit on my face. I feasted on her while rubbing her asshole and looking up at her. She tasted and felt lovely and I happily tongued her till she came. Then for the sex - there wasn't much room off the bed but I moved the mirror and she guided me in from behind in the little space between the bed and the wall. Then she took control bouncing up and down on my cock. Lovely view and incredible feeling. I then gave some short hard pumps into her. I felt it was now or never so pulled out and off with the condom and she cleaned me before kneeling and taking me in her mouth. Down to my stomach the whole time and I called her name several times telling her my load was hers, I was cumming, to take it and then erupted. I should have taken it in more but fell back as Sarah had began to laugh and I did too. Both having the giggles was delightful. And then time was exactly up. Great session fabulous woman thank you Sarah x
