The Lady:

As per the photos although maybe slightly slimmer. Attractive dark haired

The Story:

The lady Arrived on time took the paper and set an egg timer! If you see whats on the menu it's quite impressive and what persuaded me to visit a girl with no reviews. However, I asked for WS and that was not available. OWO. Nope was told because we had only just met. DFK. Barely and very reluctantly. And not that it was on the list, but no fingering. Loads of ooohing and aaghing , in fact non stop. The experience was totally bad and having finished with time to spare she was attentive and did use her hand to arouse me again although slightly too violently for my liking but at least tried. Sonot the best punt but not the worst either just disappointing
