The Premises:

Clean, good parking, good establishment.

Legit.

Good hospitality over the phone & when you arrive.

I will be attending again.

The Lady:

Photos really did not do her justice.

She's absolutely stunning, good body, good bust and nice bum.

Thin waist line.

Good skin, With a tan.

With a very pretty face.

Pleasant to talk to. Welcoming, good personality.

English.

The Story:

An all round good massage. With a lovely person

I don't think I need to go into detail.

The experience was good enough that I made an account here purely to leave her a Review as I saw she only had one.

Which I don't think gives a fair representation.

She did mention she's leaving next week.

Which is a shame as I would have liked to have seen her again.

I would recommend to anyone if you can book her in on her last day ????????
