### The Lady:

Beautiful lady it's a shame her photos are not on display as she really is a good looking woman with an amazing body honestly can't rate this lady enough she's very welcoming and lovely smile

### The Story:

It's only my 2nd time using this service first time seeing the lovely Faye

Arrived on time was greeted by a lady who saw me in took me upstairs and got me a water, I was advised to take shower before hand

The lovely Faye then entered and straight away I was greeted with a lovely smile and asked how my day was, she then got undressed and wow what a body very busty lady with curves in the right places

I got onto the bed where I had a very sensual massage and fantastic ending she is definitely one to keep And I hope to see again very soon
