The Premises:

Upstairs apartment a short walk from Victoria station. The back bedroom with the stairs. Small, but cosy rather than cramped.

The Lady:

Sarah looks just like her pictures, so if you like them, you'll like her. She's taller than I expected, with a great figure, pretty face, and sexy, posh voice. Her natural tits are phenomenal. She's also welcoming, bright, and a good laugh.

The Story:

This was in July, but only just got around to posting it on here. The only disappointment of the meeting was that Sarah was not wearing the secretary outfit in her pictures. I had asked for this and double checked when confirming the booking on the day. Sarah said she always has that outfit with her, but wasn't told the outfit request. This is a common occurrence, but a bit disappointing. How the girl looks when you first arrive is all part of the experience.

That aside, it was a great hour spent in her company. Sarah provides a real GFE, with plenty of FK and DFK. She also gives an out of this world OWO. I've been having a good run of amazing OWO escorts this year, and Sarah didn't break my streak. Dyson had better watch out, there's another supersuck in town. Sex was in mish, doggy and cowgirl. Luckily this was before the heatwave, so I could enjoy her in all those positions.

One of the best moments came when Sarah was riding me, looking sensational. I told her to ride me faster, to which she said, "I've been doing this for eight hours. This is as fast as you're going to get!" I had to laugh, and it was also a turn-on for me that Sarah had been riding dick all day and now she was seeing me. A nice finish in her mouth, which she deposited into a tissue. Then a relaxing chat with this interesting woman before my time was up.

HOD have put their prices up, but Sarah was well worth the money. HOD do a loyalty scheme that I've signed up for.
