The Premises:

A ground floor flat in a tidy block of flats on the outer edges of Aylesbury

The Lady:

Height probably 5' 2". VERY slim almost thin. Never a size 8 or even a 6 really. Friendly with blonded hair.

The Story:

This lady is like very slim almost thin but I quite like that. She is no size 8 and 6 might be a bit big. Arrived on time but kept waiting outside a quiet block of flats for 10 minutes, presumably someone else taking longer. On entry was met with a friendly reception. Soon on the bed warming up and then into some covered oral. Covered was part of the deal but I tend to expect OWO for half an hour at £80. Next swinging her leg over the top of me to taste the minge in the 69 position with her on top. This suddenly comes to a halt and she mounts me cowgirl and starts riding. Then she dismounts and offers herself in the doggie position I take this up for some minutes. I then suggest missionary. In that position the fit of cock in cunt is just right and I can feel everything very nicely. After a few minutes of gentle but steady shafting I am told to speed up. I still have 10 minutes on the clock but basically she wants me to finish early. I do as I am told and even as the last shots are being fired there is a hand between the bodies pulling the cock out of the cunt. By the way, the quoted DFK, part of the GFE experience I suppose, never materialised. There was not even any kissing allowed. If you like em very slim this one is for you. The fucking action was good, but being shoved out early and no kissing does not leave me wanting to return.
