The Premises:

Flat is in an ex-council block in an estate off Edgware Road. A nice flat in a not very nice area. The flat is shared, large, with a good bathroom.

The Lady:

Kate is a pretty Thai girl in her early twenties, with a good figure (recent work done, so some visible scars), and with a warm and friendly nature.

The Story:

I was greeted with a hug and light kissing, which increased in intensity after the obligatory mouthwash. Full-on kissing continued throughout. We started with a sexy shared shower, with plenty of oral on me. We then adjourned to the bedroom so I could return the favour. Very nice, and definitely appreciated! Then followed a session of great mutual oral, rimming, and 69. The last session was my favourite finishing combination of pussy, bum and cum in mouth! At the end of the week Kate will be moving to a new flat in a different area.
