Usual MKE place just off Fenny Stratford, discreet entrance round the back, well kept rooms, fresh towels etc. Everyone knows their reputation.

The Lady:

Asia is gorgeous. Her pics are very accurate, and despite the pics blurring her face they give you a good idea of what she looks like. She's a stunner. Quite statuesque, though some of that she put down to her heels, curvy in all the right places, enhanced boobs, long black hair, was wearing a sheer gown and some lacy black all in one lingerie.

The Story:

Asia is a real sweetheart. She's friendly, genuine and funny. We chatted a little before kissing and cuddling and moving to the bed. Kissing started out quite restrained, but got more passionate and deeper later on. Not sure if that was her responding to what she thought I wanted or her getting more turned on herself, but was really nice. Move on to OWO, and wow, she's really, really good at this. She almost deepthroats (I'm quite large), makes it feel amazing and she goes for ages, definitely not a girl who views it as a way to get you hard and then move on. Honestly the best blowjob I've had since Michelle left Annabella's. Sex was also great, everything flowed really well between the two of us. She seemed really into it, using her hands on my hips to pull me deeper, playing with herself, suggesting positions. Finished CIM, where she kept going until she was sure I was completely done, at which point I collapsed.

Chatted while we cleaned and got dressed, and again, she's just a really lovely woman, very easy and fun to talk to. I'm a big believer that sex is better when there's some connection and emotion, some laughter, and she expressed much the same. I definitely felt that with her and it made the whole time feel amazing. It's probably apparent from the rest of what I've written but I loved everything about the time I spent with her. I can see why you need to book so far in advance to get an appointment with her and I hope I see her again soon.
