The Story:

I rang the doorbell Anais came to open the door full naked. Asked me to wait in bathroom as she was running late with previous client. Few minutes late she took me into bedroom. we sorted out the paperwork. then she started kissing then gave me amazing blowjob 10/10. Then we started doggy position. which she was enjoying more than me. At the end i had to shoot my load. she gave me final blowjob we sat down for 10 minutes chatted about life then it time for me to go. 10/10
