The Premises:

Intercom entry, nice clean apartment with shower facilities if you fancy that also choice of two bedrooms depending on which one Holly would be using, both rooms are a good size, but even better if you get bedroom number 1 :O)

The Lady:

Holly is a size 12 , 5ft 4inches very curvy and fit, everything described on her profile description is accurate.

A bonus is that she is very very pretty.

The Story:

Well I arrived and was a bit anxious as I have been trying to get with this young lady for a few months now, she is very popular and her regulars make sure they book her early once her schedule is updated on the web portal along with the other young ladies. I managed to get in by booking the day before and opted for first of the day but got pipped at the post by one of her regular Punters. Upon entry i realised how pretty she was and she does have a great pair on her but she is pretty and has a pear shape figure but really nice and lovely smooth warm body and firm legs.

details!!! She blew my Mind!....I have rated a few of the girls very high but Holly is on a different league all together 10/10!!!.

She greeted me with a kiss, offered me a drink, Coffee or soft drink, none of this affected my hour that i had reserved. Holly did not take any of my punter notes and said we can settle up after. Wow.....all i can say is she will be my first choice from now on.

Yes the others are also good but boy i kid you not....1hr felt like 2hrs.

My opinion is if your looking for the full package!!! Toys and all...then Holly should be your first choice at One2One escorts.
