The Premises:

Council flat ten/fifteen minute walk from Edgware Road or Paddington. Smart inside - two rooms, I suspect she shares with Holly. Iron gate entry at which point you call for admission. Up a few flights of stairs.

Large and comfortable double bed, but no other furniture of note. Clean and tidy, including the bathroom. Plenty of toiletries. Shower over the bath with hot water etc. Clean towel provided.

The Lady:

Betty is in her early thirties I suspect. Not slim but not fat. Enhanced. Pretty enough and a nice smile once she warms up. A few tasteful tattoos. Polite and friendly.

The Story:

I arrived and called to be buzzed in. Betty appeared from behind the magic door wearing the maids outfit I had requested. I was asked to remove my shoes and lead upstairs.

Betty is quite formal at first, with the cash exchanged and counted, and a shower offered. Betty joined me in the shower and began a nice sensual wash-down, with kissing allowed after mouthwash.

After the shower, we returned to the bedroom and I asked for the maids outfit and stockings to be put back on. No problem! Betty was happy to oblige and dropped to her knees for owo.

I told her she was a 'Good Girl' and she sucked my balls, as we moved to the bed. We enjoyed oral in several positions including 69. There was no rush to move onto sex, but when I rubbered up we moved through cowgirl, missionary, doggy before I requested a- level. This was provided, with plenty of lube added, but I managed to cum after a good session.

At this point Betty nipped to the shower, but to her credit she was straight back to owo after being away for a few minutes. I'd heard Betty gives a really good massage and I needed one so I asked her to do this instead and she certainly didn't disappoint. I'd love to have had longer for this as it

really did work and my back has felt great since!

Betty seemed to relax more as the session went on and when my time was up allowed me to shower, before helping me dress. I got the best snog on the way out.

Very tempted to revisit to see if a second visit enhances the experience, with her being more comfortable and passionate. She looked so hot in the maids outfit as I pumped away.
