The Premises:

Short walk from Marylebone Station. Also close to Edgware Road station. Place was non-descript and discreet block of flats, ground floor flat. Apparently her first day in the place. Bathroom was fine and functional, bedroom smallish. Place relatively clean although clearly a rental place. Bed headboard was creaky!

The Lady:

Photos are very accurate and maybe even don't do her justice. Very beautiful with full lips, slim physique, perky breasts and a good bum. Nineteen and not the advertised 18 and Ukrainian and not Russian (a plus point atm). Trimmed down below. Avrelia is a smoker but didn't smell like stale smoke on visit.

The Story:

Greeted at the door in lingerie and a silk dressing gown and invited in. She does speak English but is still improving her level so conversation was a bit stilted. I had a quick refresher shower, exchanged 'gift' and quickly on with kissing but no FK which was sad. Had some touching but doesn't like breasts touched.

A good OWO BJ followed which got me to attention but it felt a bit like she was going through the motions. Condom on and then missionary which again felt a bit like she was looking to get the deed over and done with ASAP. She kept suggesting doggy and so eventually finished there after approximately half an hour.

She is very, very good looking and has a great physique however the sex felt a bit robotic so I cannot recommend spending £400 for an hour with her on that basis. However after we had some cuddles and some good chat around the language barrier. I suspect round 2 could have happened but I had little desire as I like my encounters to be a bit more give-and-take rather than lie back and think of England (or Ukraine in this case). I'm not in bad shape, I'm relatively young (early-mid 30s) and not terrible looking (although not Brad Pitt either) so a little miffed. Perhaps spending a longer time with her would be fun in the social side but not worth the money IMO.

Summary: Beautiful girl with a great body but English isn't great if you like a chat and feels a bit

perfunctory in the action. Would see her again but only at the rate of up to £130 per hour.
