The Story:

God know what Mrplumber was on about there were no calls or texts however Gia does use her phone for music. Lots of DFK from the start I like to go down to dine and Gia enjoyed this We then chatted and she went down for some OWO which was very good :) I then went down to eat again and Gia complained that I had made her so wet she needed a towel to clear up. She then gave me some more OWO and I just exploded all over her nice little tits. Most enjoyable.
