I think it was the lady in the pictures, but without lipstick and makeup. Slim lady with a nice behind.

The Story:

I arrived in time, as usual when I visit this place, I was greeted by Aylin and taken to the room. After sorting the paperwork, she started with some shy kisses, not GFE as mentioned on the website, even if I tried I could see that she is not into it so I started going down on her for a good 10 min. She has a tiny hole, clean, maybe insist more with waxing around the anus. After, she proceeded with OWO but not doing a great job unfortunately. I decided to move on to doggie and after she came on top. I didn't want to tell her that I was disappointed with the visit, so I decided to cum and finish with it. Unfortunately, the lack of experience will make me not visit the lady again. Too bad... she can do great things with that body. Guys, this is my personal opinion of today's experience.
