### The Premises:

HoD really needs to invest some time in improving the location. Although the basement flat is better than upstairs, the rooms make me think I have sneaked out to have a wank in a backdrop street. My comment does not reflect the service, which is lovely, but the location.

### The Lady:

Tall Romanian chick with silky black hair and a jaw-dropping body. It is impossible to describe in words how perfect her body is.

This woman puts the Divine in House of Divine.

### The Story:

Elizabeth is a fucking queen! I came five minutes earlier and was taken to my room. As per my request, Elizabeth entered the room naked wearing only high heels. This made my cock getting rock hard.

After paperwork got sorted, Elizabeth got on her knees and gave me the best blowjob of my life. Period. I tried to return the favour by eating her pussy and licking her beautiful buttohole while she suck my cock.

On with the condom, and we fuck in many positions which Elizabeth make sure to let me know she was enjoying (at least acting very convincingly). We have fucked before so she knows what I like and I know what she doesn't.

I love eating Elizabeth's buttohole, so I spent some time there after she made me come with her pussy. After that I asked her to let me come for a second time and the whore put herself in all fours and asked me to fuck her doggystyle. She is at least 6".0, so you can imagine what a sight that was.

I hope I can see her soon again!

Elizabeth has a body to die for and I can't believe that for £150 I get to fuck a woman with such a superbody. She doesn't have a pretty face, but her body is beautiful. I have read previous reviews and notice that some

people complained that she has an attitude, and she does! But seriously, with a body and fuck skills like those I think she is entitled to an attitude. So don't be a dickhead and stop trashing this fantastic woman.
