The Premises:

Familiar first floor flat some ten minutes walk from Victoria station. Clean, comfortable with good facilities.

The Lady:

Millie is lovely ebony-skinned British woman in her late twenties and around 5ft 3in in height. She has a fabulous figure, with large soft breasts, and perfect bum.

The Story:

It is exactly two years since I last saw Millie, she having left London HoD in late 2020. The moment I saw she was scheduled for a return day in London I ensured I was her first booking on her first day back!

I was really pleased to see her again, as I think she was to see me also. After welcoming kisses and hugs, we soon got down to a mutually enjoyable session of oral and sex. I have to say that Millie has a lovely body and great sexual appeal.

I will of course see her again.
