### The Premises:

Clean apartment in Central Mk. Parking right outside.

### The Lady:

Tina is a pint sized pocket rocket. About 5'2" with a firm curvy figure. Beautiful eyes and smile and a peach of an arse. Good English, a bit matter of fact in attitude but if you there's a softer side underneath that reveals itself.

### The Story:

Tina is very good at what she does. We engaged in DFK and bit of groping and I noticed that her pussy was quite wet. She seemed to be enjoying herself even though her demeanour gives little away. She seemed concerned that someone else had recently given her a negative score. 'Looking forward to sex' was her reply when I asked her how she was.

And that's what we did, have sex. No oral, she rode me in cowgirl and reverse cowgirl until her application and the sight of her ass was too much for me and I came inside of her.

Would definitely see her again. Recommended.
