The Premises:

A first floor flat in a former local authority block just off the Edgware Road. It's a 10-15 minutes walk from the tube. A nice flat in a not particularly nice area. It has good size bedrooms, a nice bathroom, and a downstairs sitting room and kitchen. Holly shares with another Olina girl.

The Lady:

Holly is a very slim, but busty, Thai girl in her late 20's. She has long slender legs and a cute bum. She is much prettier and naturally attractive than her photoshopped website photos. She also has a warm and friendly nature.

The Story:

I had seen Holly earlier this year soon after she arrived, and was living in apartments in Sussex Gardens, adjacent to a hotel. As she has her own place now, in a different area, and has become more established and confident, I decided to see her again. Another reason was that she has now expanded her list of services.

She seemed pleased to see me again, and after my requested shared bubble bath we returned to the bedroom, and I was happy to enjoy all her listed services, old and new!

Holly is a nice girl, fun to cuddle and chat with after the action.
