The Story:

I was greeted at the door by Chelsea, who in her high heels towered over me, she asked who I was here to see & when I said you a nice smile came across her face. I was shown to the back bedroom, sorted the paperwork then a quick shower. Chelsea came in dressed in all black lingerie & a robe that quickly fell to the floor. After asking what I liked she started kissing me, gentle kisses at first then dfk. She took complete control & threw my towel onto the bed, then dropped to her knees & took me in her mouth. After a few minutes Chelsea started to pay attention to my balls, licking & sucking them, then gently pulling them while spitting on my shaft. The mood I was in I had to wipe my cock then lick my hands. We moved onto the bed for a 69, Chelsea started sucking faster & squeezing my balls. This got to much for me & getting up I finished on her body. After a quick clean up I asked for a massage, which Chelsea agreed to. This led to round two & more owo. On with the cover & with Chelsea on all fours I slowly entered from behind, after a couple of changes of positions & with Chelsea on her back I asked her to put her toes in my mouth, she did & started to fuck my mouth with them, I pulled her tighter & swapped to her other foot. I was getting close, but couldn't manage the second pop, so I pulled out, sunk to my knees & started to pull myself off while going down on her. My head was pulled tighter in & told how good I was, I know this is a line that'll be used time & again, but it worked for me & I finished on her body again. After a quick clean up & shower & one last dfk I was on my way home. It's taken a while for me to meet Chelsea again, but it was worth the wait.
