The Premises:

Modern block of flats literally a stones throw away from Kilburn tube station. Kate's place is a nice and she had a well proportioned double bedroom with en-suite bathroom, which had a walk in shower (large enough for two). The shower had decent water pressure and plenty of hot water. The flat was nice and clean.

The Lady:

The pictures of Kate on the website are recent and accurate. Kate is a nice looking, young Thai lady (in her early twenties), with a nice body and enhanced breasts (which were not rock hard).

The Story:

Kate greeted me politely and lead me to her room and offered me refreshment. After I handed over the paper work, Kate offered me a shared shower, which I accepted. She gently soaped me down and then crouched down and gave me a nice BJ to get me hard. After the shower it was back in to the bedroom and Kate provided all the services listed on her profile with enthusiasm and was very eager to please me, and she did not disappoint.

In between sessions Kate also gave me a nice firm massage to unknot my muscles, which was very relaxing. And although Kate has not been in the UK that long her English is good enough that you can have a nice conversation with her.

All-in-all Kate is a lovely young lady and provides a great GFE/PSE service. I highly recommend seeing her and look forward to seeing her again soon for more of the same. ANother great addition to Olina's stable of talent. Treat Kate well gentleman, she is a gem.
