The Premises:

Usual MKE location. The room was in good condition, very well decorated and the bed was fine.

The Lady:

The description on the website of Gabriela is about right. She is in her mid 20's, 5'8", Size 8, 34C Natural, black hair, slim and very fit as can be seen from her photos. She is also very pretty facially. She was wearing a bra and thong set on with heels, in which she looked very sexy. She is polite and has a very sexy voice, lovely smile and I love the way she laughs.

The Story:

Gabriela entered the room and we immediately began kissing and caressing each other. We had a chat and then undressed each other and carried on kissing and caressing each other. I mentioned I was interested in DFK and although it wasn't full on snog your face of snogging that I have had with some girls, she was happy to French kiss with tongues. I was then sucking her tits which are very soft and she has lovely nipples, which were getting very hard and erect. She was also really enjoying me sucking on her tits as well as moaning throughout.

We then moved to the bed, she used some wipes to clean my dick and proceeded to give me oral without. Her blowjobs are really good with plenty of sucking, licking of the shaft with spit. She also has a very good technique for licking balls which felt amazing. She also maintained eye contact whilst sucking my cock. All throughout I was talking dirty with her and she was talking dirty back and moaning as she was sucking cock my cock. To be honest, I am really impressed this girl can talk dirty in a sexy and dirty way and with both of us at it we clicked well.

I then asked her if she wanted me to lick her pussy and she said yes. She lay down and I went down on her, licking her pussy. Her pussy tastes sweet and I could tell she maintains her hygiene as she was very clean down there. I kept licking her whilst she was moaning and telling me how good I was until she cummed.

She then gave me another blowjob without to get me hard again, and she put the condom on and I fucked her in missionary. We were kissing throughout whilst I was fucking her and talking dirty until I came in her pussy. She was happy with me fucking her slow and fast. I didn't try other positions,

but I will try next time as I would love to have her on top riding me.

We lay and chatted more and kissed each other with tongues. She then gave me a handjob and more oral without until I came in her mouth. She sucked me off whilst I was cumming in her mouth and she took all of my cum.

Overall:

She was happy to do what I wanted. I read her other reviews before I went to see her and after seeing her, I can see why she has so many positive reviews and why guys want to see her. I was impressed with her and whilst I want her for myself it's only right, I write this review on her. I would rate this experience a high positive at 9.5/10 for me.

Would I visit her again? Yes, definitely. I'd be a fool and silly if I didn't see her again.
