Absolutely stunning, really nice lady. Amazing personality. Pictures more or less spot on, lovely skin colour.

### The Story:

Now where do I start, apart from Scarlet cheekily asked me not to write this lol. Arrived at the venue prompt, lady on the door warm greeting as my last 2 visits. Took me straight to the room for me to have a shower, she said she'd let Scarlet know. Freshly washed and sat on the bed waiting...10 minutes passed, thought I was the last call, so no rush, could be having a snack, another 10 minutes... another 10 minutes, heard the door bell go. So I rang to see if Scarlet was making an appearance. The maid was in shock.

1 minute later, in comes Scarlet full of apologies and for some reason thought I was a no show. Apologised as much as she could, but being the last call and having no plans, I could only see the funny side. Hindsight, wasn't too bad this happened as it gave a great ice breaker, not that it was really needed and Scarlet is amazing company and conversation flowed.

Scarlet gives a really great massage and pays attention to detail, attentive and knows what she's doing, in her words, she 'gives the best massage'. I could tell she was in a bit of discomfort, gym the day before, so I offered my services. She started quite adamant against, due to the mishap at the start, but she needed it, and who can refuse giving an amazing woman a massage.

Scarlet was amazing from start to finish and was a pleasure to be around. She did offer a discount due to the mix up, but it wasn't an issue at all, I really enjoyed my time with her.

If you get time, she's definitely one to visit. It's her birthday soon and I wish her all the best for it xx
