The Premises:

Usual basement flat 10 minutes walk from Victoria station. There is a nice cafe around the corner where you can drink a coffee sitting outside as I did, on Cambridge Street.

The Lady:

Anya is a gorgeous slim Romanian lady. Age is stated as 23 on website but she is actually 33. She looks extremely youthful and in fairness looks closer to her advertised than actual age. The photos are accurate, although I would say she was slightly taller than she appears on the website.

The Story:

I have seen Anya twice now and I am amazed she doesn't have any reviews so as promised, I have finally got down to doing this. I cannot remember the precise date I saw her but last time was about a month ago.

She is an extremely friendly and welcoming young lady. Very intelligent and obviously has a caring nature and this is emphasised by the type of work she does outside the establishment.

I think she has been in the UK for some time and her English is excellent. Anya was very happy to offer all the services advertised. The first time we met I asked for a prostate massage, which felt strange but was very tenderly administered. The second time I asked about her the lap dancing service mentioned on her profile. Anya gladly put on a favourite track on her phone and gave me a sensual and tantalising lap dance to the chosen tune.

Other than this she was very tender and happy to kiss which I would say was semi passionate with some tongue contact, even though this isn't mentioned on HoD. Anya was fine with intercourse in a number of different positions which both times finished with missionary while kissing and felt very much like a GFE. She was happy to continue to embrace after I climaxed and she did not clock watch at all. In fact the first time we met, we had a few minutes left and she was happy to engage in a nice chat for a few minutes sitting on the bed while I was lying down which was a most relaxing experience.

I would absolutely recommend Anya for anyone who wants a genuine unrushed GFE type experience. Thank you Anya for two memorable sessions and I hope to see you again soon x
