The Premises:

Easy to find in central Milton Keynes area. Nice decent size room. Seems like they just had an upgrade to their flats. Very nice and cosy.

The Lady:

Elizabeth is tall, with a beautiful figure of balanced curves, a mischievous smile, and long black hair.

The Story:

I mean what can I say. From the moment I've entered till the moment I've left their place Elizabeth has made sure my comfort is her main priority.

Upon arrival was greeted by a beautiful young lady. On my way to the room I've bumped into Elizabeth, she knew who I was.

I could write an essay here for what has happened in that closed door. But out of respect I'll leave it to myself and Elizabeth.

But all I would say is, every second I've spent in that room with Elizabeth it was phenomenal. If I could I would literally go and spend more time with her every now and then.

Look forward seeing you soon liz. X
