The Premises:

Apartment in MK central hub. 7th floor.

The Lady:

Ruby is about 5'8", long dark blonde hair, genuine size 8/10 with lovely false breasts of an entirely appropriate size.

Age is difficult, claims to be 30, if I had to guess I would have said mid thirties. Very attractive with silicone lips

The Story:

Very pleasant. As others have said, there's not a lot of smalltalk with Ruby. Straight into DFK in a standing position which was very good. We then transferred to the bed where Ruby gave some very good head. Her technique is very unusual, I've had a lot of bj, she has a way of making it seem like your cock is hitting the back of her throat when it actually isn't, I've never experienced this before. After a while I needed to taste Ruby so we engaged in 69. Ruby has a fantastic pair of labia for those who like that kind of thing and it was a pleasure eating them. Ruby's hygiene was exemplary, she tasted very fresh. I had kept my watch on and checking out the time I realised we needed to move to the nitty gritty of intercourse, so I asked Ruby to skin me up and on she jumped. Ruby is a very sensual creature and I got the impression she was very turned on riding me. We then moved to doggy but the little fella sometimes gets a bit shy in this position and this was one of those days, so off came the wrap and Ruby finished me off with some oral, taking my load in her mouth. She doesn't swallow if that is important to you, it isn't to me. We then had a brief chat in what was left of the remaining time, maybe 2/3 mins! It turns out that Ruby is a very considered lady who has her head screwed on.

Would definitely recommend, you will not leave disappointed.
