### The Premises:

Nice, clean, discreet flat near the shopping centre

### The Lady:

Helen is absolutely stunning... A 10/10 if there ever was one. Beautiful face, gorgeous red hair, smooth pale skin, tight and toned body with a small waist and large natural boobs. Simply perfect. I believe she looks much better in real life than her pictures!

### The Story:

I've been punting for a few years now but until now never felt the urge to review a lady. I'm writing this now just to re-live the wonderful experience.

I become quite submissive in the presence of a beautiful woman. I spent most of the time admiring and worshipping Helen's gorgeous body. Her nipples are very sensitive, and I managed to make her cum quite easily by going down on her. I loved tasting her sweet juices and hearing her lovely moans.

The kissing was great, and when we cuddled I genuinely felt like being with a girlfriend. Helen has a natural, calming presence. Everything flowed beautifully.

I didn't last long with Helen on top of me, skilfully riding me, kissing me and smiling at me. I had to keep telling her to slow down, and she really did her best, but I still exploded after just a few minutes of being inside her.

I then resumed admiring her from all kinds of different angles. I just couldn't get enough of the view! Helen giggled and blushed a little bit as I kept complimenting her. We had a nice chat (her English is perfect), and the time was up very quickly, unfortunately.

I'll definitely be back again (and again). Wholeheartedly recommended.
