The Premises:

House of Divine first floor. Good for transport and connections. They had 3 girls working and only two bedrooms, so there was an overlap and I had to wait for 10-15 minutes in the kitchen. Not ideal.

The Lady:

Laura doesn't quite match up to the (2019) photos on the website. She's a little heavier and definitely doesn't have the "huge bust" promised on their website.

The Story:

Maybe Laura was having an off day, but she didn't seem very enthusiastic about her job. Didn't want to kiss, didn't really want her nipples touched or sucked, and complained that my "stubble" was too scratchy for me to give her oral (I had only shaved about an hour before). All in all not a great punt. We started late and finished early and I was happy to get away.
