The Lady:

Gia is as per the website but actually much sexier in the flesh i was not disappointed

The Story:

Gia bounced in in a one piece and knee highs and very high heels greeted me with a kiss with her sexy red lips. What followed was exactly what I wanted lots of kissing and dirty talk. Then on with the condom and rode me the changed to doggy which was great and finished me off.

Then she gave me a great massage which left me totally relaxed then a good chat and shower and sadly time to leave.

A beautiful lady with a great personality. I am already planning my next visit. On cloud nine and can still taste her on my lips.
