### The Premises:

Fit for purpose flat in the Hub MK. Only complaint is that the bedroom was very compact!

### The Lady:

As per the pics on website. Bubble butt, thick thighs, great boobs, great fun!

### The Story:

Usual efficient booking process, called and asked if Serena provided some of the kinkier services that I look for when punting and received a positive response. Booked an hour and was informed that it was free under the current scheme (5th punt free). Was pleased to be directed to a flat in the Hub near Sainsburys.

On arrival greeted by Serena behind the magic door and shown to the bedroom. Serena's pics on the website are accurate, she has a great set of tits, big firm bubble butt, and thick thighs. IMO, she is a good looking girl, and really chatty/friendly without being over the top.

Started with light FK which progressed to deeper FK whilst stripping each other before moving to the bed. Serena delivered some great OWO with plenty of attention to my nut sack. At my request, we moved into a prolonged 69, no issues with hygiene.

After a while moved on to some strap on fun and Serena clearly knew what she was doing, she expertly buggered my butt whilst I indulged in plenty of poppers. We moved through a couple of positions until I asked for more OWO.

The end came with Serena teasing my cock orally with her fingers deep in my ass, a very satisfying conclusion!

She cleaned me up before I took a shower, we had a decent chat about life away from whoring/punting before I went on my way.

Great first punt with a cracking British WG, I would certainly revisit!

Anais was also working in the flat, she looks hot as well!
