### Details of Service Provider:

### The Premises:

Kate entertains in her own home, a period terrace cottage with parking space about 100 yards away. The fun and games room is a smallish, nicely decorated bedroom and a shower is available.

### The Lady:

Kate is a ravishing brunette, great tits, great legs and a truly worshipworthy rump, everything a boy could wish for. Her photos are true images.

She exudes confidence and the kind of femininity that shouts "REAL WOMAN".

She dressed as requested (lingerie under the cover of a robe) for the particular service I had requested from her and she delivered it in Spades.

Her sobriquet on AW is Kateskicks.

### The Story:

When I read Kate's profile my mind quickly told me that here was probably the right woman to give me an experience I had been considering for some time – Tease and Denial. Was that instinct proved correct? YES is the answer. Yes yes yes.

I told her to be merciless and she was, showing me what she knew I wanted to see, telling me in detail how much I would enjoy what I wasn't going to get, restricting physical contact to a minimum (only for her selfish pleasure) and summarily dismissing all my begging and pleading for more. It was an extraordinary hour of extreme sexual rudeness and strangely perverse eroticism. It really was GREAT FUN, delivered in a very knowing way by a woman who really does know what's what.

Was she totally merciless? Did she give me a reward or not?\* Well that's only for Kate and I to know but I can tell you that I am definitely going back for lots more of the Kate Experience, in fact a second meeting is already booked.

I feel like I have just prised open the lid of a treasure chest of sensual delights.

\* Well I can say that she did introduce me to a specific activity I had not indulged in previously. I

suspect that it will be on the menu for all future visits too.
