### The Premises:

Clean tidy and very easy to find.

### The Lady:

Ruby and Ella are both slim sexy ladies with bodies to die for and very sexy smiles.

### The Story:

I booked a duo with Ruby and Ella and wow I wasn't disappointed when they both walked into the room.

They both introduced themselves with a full on kiss and the way they were eyeing each other up was amazing.

There was plenty of foreplay and hands and mouths teasing all over each other until Ella pulled her strap on out and started to use it on Ruby while Ruby was sucking on my cock pure heaven.

To hear Ruby cum then Ella sitting on my face till she cum to she was so sweet tasting before she sat on my cock to ride me to completion as Ruby sat on my face, perfect way to end a session.

I'm sure I died and went back to heaven more than once.

Both girls are highly recommended and booking together is a treat. Will be back.
