The Story:

I'm not new to Ego and they have some very sexy lady but oh my gosh Zara is out of this world, I had been out in MK the night before so took the opportunity to visit Zara before I went home my only regret is that the time I was in MK Zara was only available for 30 min. but seeing here photos online I could not go home without seeing her and wow the pics are good but Zara in real life is so much more stunning. her touch was soft and naughty and she loves to tease I loved having her naked body touching mine. I was then told to turn over where there was more teasing with her breast brushing over my face and the nipples running over my lips then Zara got to work on my ever so stiff cock which she had stand to attention pretty much straight away. Zara stoked my cock getting faster the slower until I could not resist it any more, my explosion was out of this world. next time I visit I will defiantly be seeing Zara for well over an hour I think i'm in lust lol
