The Lady:

Dyed blonde hair, slicked back. Sexy Pvc dress which unzipped at the front, heels. Pretty face, Jennifer Lawrence in Red Sparrow vibes, but... None of the lovely natural tits on the website, she's had a big boob job done which rather spoilt things for me. They're a nice enough shape, but big scars running down from the nipple. Why do girls do this?! Everything else lovely tho, especially her peachy arse.

The Story:

Unzipped herself for me, was happy for me to explore her body. Seems to like gentle RO, made some cute noises of appreciation. Then gave me some nice but shallow owo, then Johnny on for doggy, mish with legs on my shoulders and cowgirl to finish. Some light kissing, but it became slightly robotic after 10 minutes or so. Very little chat, but that suits me fine. Decent punt, but not right up there. 30 minutes about right.
