The Premises:

Well reviewed parlour with the usual Annabella's decor .Easy to find good parking.

The Lady:

Gorgeous girl , with a fantastic figure, lovely sexy shape tall and slim (thinking she look as a supermodel ?????)I ask her if she is doing gym and the answer with a cheeky smile "just the Mother Nature "make me smile ????? Pictures are absolutely accurate , although better looking in flesh. .

The Story:

On arrival I was meet by Ruby a tall , leggy , slim sexy lady with a beautiful smile and immediately we embraced each other and kissed.This lady genuinely enjoy giving and receiving pleasure , she is warm , sexy , passionate, friendly and really pleasant to talk with . Her photos are real and you will not be disappointed.

I am not going into details here on what happened between us , however all I can say her DFK is out of this world and her BJ , unbelievable what she can do with that mouth .This lady is a real gem ! I left with a big smile on my face and I will return every time I will pass by Milton Keynes .

P.S I forgot to mention 30 min is too short to enjoy her company and her skills it seems 2 min I could kiss her forever . Ruby next time I will be sure I book in advance for longer appointment.
