The Premises:

Lovely house in a quiet cul de sac in Luton, not town centre. She has a dedicated massage room in her house, which has everything you need.

The Lady:

British I'd say in her late 40s or early 50s. Short and curvy, great tits and shaved pussy.

The Story:

Been seeing Katie for about 2 years now, first went for massage with HR. Then tried tie and tease, which is much better than the massage. Now I go for what she calls floor work. She knows how to please a man and likes to also.
