The Premises:

Bella is a touring escort that uses clean safe hotels as she travels around the UK. This meet was in Aldgate in London in a nice clean safe hotel 5 min walk from Fenchurch Street station and less than 5 mins from Aldgate tube. Not sure about parking, I arrived by train, the hotel was easy to navigate to the lifts and the room was clean and perfect for a meet with a nice big comfy bed.

The Lady:

Bella is exactly as per her photos on her advertised site and her Twitter as she shows her face and body, she also has porn videos on pornhub so I knew exactly what to expect. 5'7" white British lady, blonde bob, 40's nice curvy body which I adored, an incredible arse which I couldn't keep my eyes off, wearing a black fishnet style body stocking with no bra or knickers, just heels. She was very warm and welcoming and is one of the most down to earth ladies I've ever met. Very open and honest throughout.

The Story:

Booked via text a day before for a 1hr meet in Aldgate, very good comms, quick replies and at the arranged time I was outside the hotel in Aldgate. Quick exchange of texts and room number given and I was in the lift and entering the room. I'd wanted to meet Bella for sometime as I'd been following her on Twitter and when I saw her I was very excited!

I was here for two reasons, firstly to experience her exquisite deepthroat sloppy blowjob and to meet the legend herself!

We went straight into a blowjob within 5 mins of me arriving, me standing, then kneeling on the bed and lying on the bed while Bella swallowed my dick right down to my balls (OWO). I like it sloppy and it got very sloppy. Bella is quite submissive and likes you to take control, I may not be the most dominant guy in this area, but I didn't feel shy about holding her hair and facefucking her and holding her head down onto my dick as she very much enjoyed!

I also got to suck her gorgeous nipples very hard which she seemed to enjoy - she has delicious natural tits, very suckable. The blowjobs were constant, she loves sucking cock if that is your thing and can deliver incredible cock worship. I then slid some fingers into Bellas pussy and my god she was soaking wet! She really enjoyed being fingered and I enjoyed licking my fingers and sliding

them back in. I then went down on Bella and this is where she really started to enjoy herself! Her pussy tastes divine when it was really wet and I licked away and flicked my tongue on her clit as she moaned and rithed around on the bed, the best pussy I'd ever tasted by far! Bellas beautiful round bum from behind had me very hard as i rimmed her from behind for about 10 minutes, I just loved my tongue and face between those cheeks as I pulled on my cock and Bella moaned and rubbed her clit.

I then put a condom on and sunk into Bellas pussy from behind and fucked her as she put a wand on her clit and my balls and I spanked her gorgeous arse cheeks as I pumped her pussy. She was very much enjoying herself, no fake moans here, Bella is very horny woman and knowing how much she was genuinely loving being fucked, made me even hornier. I could have quite happily cum inside her from behind if it wasn't for her amazing blowjobs so i had to stop after a while as I only cum once in an hour and I was close to going over the edge.

Back to Bella giving me a Blowjob, this time face fucking her with her head over the edge of the bed and her swallowing my entire dick down her throat and then on the bed, deep, wet, sloppy, fast, slow, face fucking, spitting and drooling on my dick, I was in ecstasy. Finally Bella blew me nice and hard and I announced I was cumming and unleashed 9 days worth of saved cum into Bellas mouth. She didn't stop as I orgasmed at all, the suction was hard and fast and she wasn't going to spill or waste a drop! A truly amazing cum in mouth blowjob which she dispensed of into a tissue long after my orgasm had subsided.

We then had a lovely chat about life, sex, everything, she was so down to earth and open, it was incredibly refreshing. She made me feel amazing when she told me i had very good technique with my tongue and if she had had a while longer, she definitely would have cum.

We ran over by about 10 mins as we were chatting, Bella didn't care at all, she is no clock watcher. I dressed, apologised and left with a kiss.

Easy exit out through the hotel lobby, lots of people milling, no issues at all.

If you want a real life woman who is very much into real life sex and orgasms and can deliver the blowjob of your life then book Bella!

I would 100% recommend her and hope to see again when our diaries align.
