### The Premises:

well established parlour on the edge of an industrial estate. Plenty of parking nearby. Clean, well appointed rooms, shower, fresh towels and bedding and a friendly welcome

### The Lady:

British Indian, great natural and feminine body, in good shape with olive skin and brown nipples to die for. Very pretty 30s seems a fair for her age and lovely black hair too

### The Story:

Fun, friendly and engaging from the off. Great massage and some body to body action which felt amazing, Rolled over for some OW - I'm not precious either way but this was some if the most amazing oral ever even with a condom, I wish I knew what she was doing but it went on for a while and could have gone to the end! Returned the favour for her then with a touch of lube we finished our time together with some amazing sex. She likes to tell you what to do which was fine by me! Highly recommended xx
