The Premises:

First floor flat 10 minutes walk from Victoria. Clean, comfortable and secure. Plenty of hot water for shower and a very pleasant maid to let me in.

The Lady:

Elle is very pretty with long dark hair, pierced nipples and the addition of some tattoos which are not shown in her profile photos. These are not a problem for me as they are not too large or overbearing. Elle is very obliging and compliant with all her offered services.

The Story:

I must start by saying that I have known Elle for two years, virtually since she started working at HOD. As a result I have seen her many, many times and the sex just gets better. We started by having a shower together with lots of kissing, soaping and massaging. Then to the bedroom, where I massaged her delectable body. I had brought with me two toys which we have enjoyed before a few times - one is an anal squiggly device with beads that increase in size as penetration gets deeper. The other is a pussy vibrator with the addition of a clitoral stimulator. I inserted both and Elle came like an express train! What fun!. Elle gave me some oral, which she is a total pro at. Then on with the rubber for some mish. We finished with anal, which i really enjoy with Elle and she says she likes it as well. It was the most marvellous session and I hadn't seen her for a few weeks, so we both had 30 minutes left to catch up on our respective lives. At the moment she only works one day/week as she has another full-time job; as a resuly she gets booked up pretty quickly. I cannot recommend her highly enough. XXX
