The Premises:

Downstairs apartment, the room at the back. Probably the nicest room in the place.

The Lady:

I visited Vanessa about a month ago and had a lovely time (didn't post a review however) and, on that occasion, the door was opened by a vision of sexiness that turned out to be Jess. I'd seen the photos and had meant to see her at some point but that clinched it. She is pretty with a gorgeous body that is just my type. Natural, shapely medium sized boobs, slim waist, all over golden tan (sunbed acquired she informed me) and a pert bum.

The Story:

Jess started with some lovely fk, lips and tongue, then we proceeded to a bit of mutual oral before mish, cowgirl, 69 etc. all delivered with smiles and enthusiasm. Culminated in more owo combined with a hand job. Had a long cuddle and chat after all about Jess's philosophy of escorting and experiences of same in other countries plus some chat about Romania. A lovey, intelligent and sweet girl who I would love to see again.
