The Story:

I called at 10 and confirmed my 11.45 with Cassie. Told on arrival she had a car crash. Due to my cock bursting from my pants I decided to see who else was available. Chose gia as she was the only one free and I have seen her before. This app was rushed and gia offered none of her services to include dfk or pussy-cat locking. This report now confirms that MKE is not the first choice for girls and to be lied to that they txt me is pure bull shit. Ladies think of this No punters no money who cares about the honey . Chaps don't waste ure time and hard earned folding. Happy to discuss all above with parlour you have my number.
