### The Premises:

Flat in one of the buildings in The Hub MK

### The Lady:

Amazing body, red hair, like her pictures but better.

### The Story:

I turned up to the flat a few minutes early, usually you get put in a room and told to wait there, Helen answered the door and took me straight in the room, she was talkative and very pleasing on the eye.

I had opted for Strapon experience which she broke me into nicely for around 15 minutes and then we had 15 minutes of sex, after the main event she was very talkative!

I would recommend.
