The Premises:

A very nice flat in a large residential block close to Marylebone station. Large comfortable bedroom and a bathroom with a small but adequate shower.

The Lady:

Crystal is an attractive Thai woman in her 30's with a lovely sexy body. She is around 5'2" in height, with a nice curvey figure. She has large soft breasts and a lovely bum. Her photos on the website are a fair likeness.

The Story:

I was greeted warmly by Crystal, and she then led me to the tiny shower. She gave me a good soapy wash down, paying special attention to my cock and arse in preparation for the fun about to come! She started with really good OWO, and we then moved into an extended period of mutual oral, 69, and rimming until we were both ready for the final course. This concluded with an energetic and fulfilling 'a level' session. In the time remaining Crystal gave me a very good and almost professional massage.
