The Lady:

Attractive blond woman in her early forties. Cute face, appealing, curvy body. Rather large breasts, a little sagging.

The Story:

I went to Sheridan's in the afternoon without having booked. Megan was the only girl available when I arrived. I found her appealing, so I went with her. I took a shower and laid on the bed. Megan undressed, but left her black stayups on. She looked very sexy and my penis began to respond. She joined me and we kissed and cuddled for a couple of minutes.

Megan was on her back and I couldn't resist her lovely boobs. I kissed them and sucked the nipples for several minutes. I moved down and she spread her legs. I kissed and licked her mound and labia. She moaned faintly with pleasure. Then it was my turn. Megan sucked my balls, then took the knob in her mouth and wanked me softly. She asked if I wanted to fuck her, my answer was "Yes please!".

Megan rolled on a condom and mounted me. She leaned forward and we kissed. She began to move up and down, slowly at first. I put up my hand to fondle her beautiful breasts. Megan increased the tempo, and after a couple of minutes of intense shagging I had a superb finish. Megan cleaned me up and then we cuddled and kissed a little more.

A most enjoyable meeting. Megan knows how to make a man happy.
