### The Premises:

Downstairs at HoD. Clean and tidy and warm.

### The Lady:

Great looking dark ebony woman in her early 30s from the Seychelles. Really shapely with nice breasts (website says 34B) which she likes having handled and having her really great nipples sucked. She's in great shape and well worth a visit.

### The Story:

Gave Lissa some oral from behind and then from the front. She certainly likes having her pussy played with. I soon got an acceptable erection (not always the case!) and she slipped a condom on me and climbed on top. Really tight pussy and I came after a few minutes pounding away. Altogether very satisfactory and I will be back.
